

## CAL MACBETH

### ABOUT

I am a creator with a portfolio spanning travel, landscape, aerial and drone work, fashion, lifestyle, wedding and portrait photography. I am the co-creator of (the Cosmo nominated for 'Best photography blog') Girl in the Lens and have worked and collaborated with a number of well established clients, including Stylist Magazine, Deichmann, Adidas, BMW and TUI Travel.

This is a cross-section of some of my work, covering both personal and commercial projects.

If you'd like to get in touch, even if it's just to say hi, I'd love to hear from you!
